

THE GPS FOR PROFESSIONAL GROWTH

WHAT IS A GPS?

A GPS is a tool that helps a driver reach their destination.

HOW DOES A GPS WORK?

What do I need to know to program a GPS?

1 Where am I?

2 Where do I want to go?

3 What is the best path?

In professional life, it's also like this...

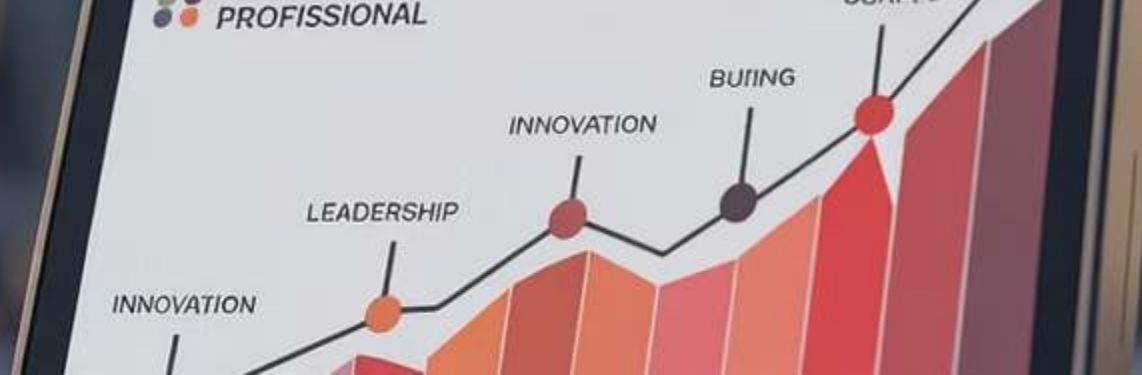

THE BIG PROBLEM

of people who don't grow professionally is that they don't have a GPS to guide them.

What happens when a driver wants to get to a place they've never been without a GPS?

Today we are going to talk about the

GPS for PROFESSIONAL GROWTH.

First, let me be sure...

Who wants to earn more?

Who wants to grow as a professional?

Who wants to feel proud of their work?

Who wants to see the company growing and know that you are part of it?

So let's start applying the GPS
for you to grow along with
Legal Trucking...

This is the same recipe **Fernanda** used
to grow.

1. CURRENT STATE

Honestly,

Who are you today?

How is your life today?

It's no use.

You are not what you say you are, nor what you would like to be, much less what others think you are.

You are your actions and the results of your life.

2. SELF-RESPONSIBILITY

Definition 1

It is the absolute certainty (belief) that you are the sole person responsible for the life you have been living.

Definition 2

It is the ability to take full responsibility for the results you have reaped in life.

Don't worry, it's all right.

**Everyone gets what
they deserve!**

A Self-Responsible Person

DOES NOT COMPLAIN ABOUT THEIR CHILDREN

DOES NOT BLAME THEIR SPOUSE

DOES NOT CRITICIZE THEIR JOB

DOES NOT CONDEMN POLITICIANS

DOES NOT CRITICIZE INEQUALITY AND VIOLENCE

A Self-Responsible Person:

If you are going to criticize people... **be quiet.**

If you are going to complain about circumstances... **give a suggestion.**

If you are going to look for culprits... **look for the solution.**

If you are going to play the victim... **play the winner.**

If you are going to justify your mistakes... **learn from them.**

If you are going to judge someone... **judge that person's attitude.**

3. DESIRED STATE

Honestly

What are your goals?

What are your dreams?

*Achieve
Greatness*

LEGAL
TRUCKING

Setting goals takes you from a state of victimization to action and control of your life.

Not setting goals is the same as thinking and focusing on the past and dwelling on problems.

POSITIVE VISION OF THE FUTURE

It is the surest way to set goals.

7. Be disciplined in a routine of excellence

8. Be an expert in some skill
